Monday, December 1st, 2003

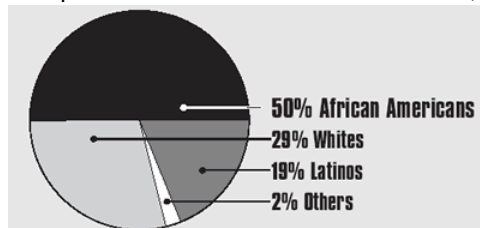

6:00 pm – 8:00 pm

Bonnell Building (Large Auditorium)

Community College of Philadelphia

Why should you care...

- Because 42 million are infected with HIV worldwide...
- Because 5 people worldwide die of AIDS every minute of every day...
- Because in the United States African Americans make up only 12 % of the population, they account for half of the new HIV infections reported...
- Because in Philadelphia alone it is estimated that 16,000 people have AIDS...

Free on site HIV testing available and giveaways

Call Bebashi at 215-769-3561 for more information

Bring a new, unwrapped toy to support our toy drive for children infected and affected with HIV/AIDS
(not required for event)
